Product Bulletin

Truck Wash

Description:

Truck Wash is a blue liquid with specific application in the automotive and transport industries. Truck Wash is a Ph neutral, high-foaming product, which speedily cleans without damaging or dulling vehicle paintwork. Truck Wash contains no solvents, harsh alkali, or salt. Truck Wash is suitable for manual cleaning of vehicles or application through a high-pressure spraying machine.

This product is MPI C32 approved (all animal product except dairy).

Directions:

Manual: Dilute with up to 30 parts of clean water, sponge on, allow 3-5 minutes then rinse off with clean water

Spray Foamer: Dilute with 15 parts of clean water, apply Truck Wash, allow to work and then rinse off with clean water.

High-Pressure Spraying Machines: Dilute with up to 200 parts of clean water, spray foam onto surface, allow time to work, then rinse with clean water.
