

STREAMING LICENSE

**WE ARE SO EXCITED TO PARTNER WITH YOU IN
REACHING KIDS AND FAMILIES ONLINE THIS VBS SEASON!**

From the time of license purchase you have the following provisions for your Start the Party VBS. This license does not cover other broadcast companies, children's apps and programming, TV distribution, or similar.

With this Streaming License you'll be able to legally stream content from the Start the Party! VBS if the following criteria is met:

- Your Start the Party VBS event must be for streaming only. No downloads allowed.
- Streaming/sharing of your Start the Party VBS event must be from a church-branded platform (or platforms) only.
- Use of song audio and/or video from Start the Party VBS is for your VBS event only. You do not have permission to upload stand-alone song audio and/or song video from the Start the Party VBS.

SOCIAL MEDIA URLS:

As an added benefit of this license, we will designate the URLs you submit for your church-branded platform(s) on an approved pass list. This will allow permission for your platform(s) to stream our content should you experience any flagging issues from Facebook, YouTube, etc. You can submit your URL's by clicking on the button labeled "SUBMIT URLS HERE" which is found in the email you received that contains your Start the Party! VBS Streaming License.

TERMINATION:

If you do not abide by the above permissions then we have permission to terminate your license and potentially blacklist your social media channels if the behavior merits it.

Terms and conditions are subject to change.
