The Oil Factor	We are crazy about our Kukui Nut Oil! Bomar presents Kukui Nut Oil, Refined. This product is a brilliant, exotic base for most cosmetic formulations, you simply cannot go wrong with this oil no matter the finished product or formulation. It is stable & has an extensive shelf life, versatile, easy to use & incredibly cost effective. This oil is perfectly suited for those that are looking to create a hair care range, as all our nut oils are best suited to manage that scalp of yours. We also recommend it to be used within sun care formulations. We gently refine this product to allow you to then fragrance it as you wish.
Functionality	An excellent emollient. A wealthy Linoleic & Linolenic profile. Calms & protects against skin irritation. Aids in relieving skin & scalp irritation, both inflammation & itching. A popular lubricating oil, commonly used in massage for this very reason. A very good carrier to blend with other oils, mainly essential oils. Due to its refined state the profile of the oil does not impact the aroma of the essential oil. Commonly used in sun care formulations & hair care products.
