CAS Number	438545-25-6; 159518-86-2
EINCS Number	Not Listed.
Customs Tariff Code	1515 9059
The Oil Factor	Bomar presents Macadamia Nut Oil, Cold Pressed Deodorised Organic. We offer many different grades of Macadamia Oil, so have a scan & take your pick. This particular grade is cold pressed & lightly deodorised to remove any odour that may affect your formulation. It is very stable & has an extensive shelf life, versatile, easy to use & incredibly cost effective. It is a true warrior of our oil range. This oil is perfectly suited for hair care products, any nut oils are great bases for the hair. The high oil content Macadamia nut (approx. 70%) is full of monounsaturated fatty acids, in particular it is full of palmitoleic acid which serves as a super healer of the skin. Very nourishing indeed.
Functionality	An excellent emollient. A good oil for hair care products & sun care products. Aids in relieving skin & scalp irritation, both inflammation & itching. A popular lubricating oil, commonly used in massage for this very reason. Very stable & a decent shelf life. A very good carrier to blend with other oils, mainly essential oils. Due to its deodorised state the profile of the oil does not impact the aroma of the essential oil.
REACH Status	Bomar can confirm that Macadamia Nut Oil, Cold Pressed Deodorised Organic supplied is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, #9. Hence registration is not required for this product. We can also confirm that none of the substances on the SVHC candidate list can be verified in a concentration of >0.1% in our product.
