| <b>Product Name</b>  | <b>Olive Pomace Oil, Refined</b>  |
| Product Code   | K0503   |
| INCI Listing   | Olea Europaea Fruit Oil   |
| Manufacturing Method                                       | Bomar can confirm Olive Pomace Oil, Refined is Expeller Pressed & Refined.  |
| Product Status   | Pure & Natural.   |
| Origin   | Bomar can confirm that Olive Pomace Oil, Refined Origin is Spain.   |
| CAS Number   | 8001-25-0   |
| EINCS Number   | 232-277-0   |
| Customs Tariff Code  | 1509 1010   |
| The Oil Factor   | Bomar presents Olive Pomace Oil, Refined. We offer a wide range of Olive oils, so please be sure to have a good scan of our range & let us know what is of interest. As you may know Olive oil is not only a nutritious oil for dressing your salads but also great for nourishing your skin. Mediterranean folk have been applying it directly to their skin for decades to deliver the appropriate moisture to their sun tanned skins. It works superbly as an ingredient in your formulation or on its own, although this oil does leave the skin a little greasy when applied on its own, so we recommend adding it into a formulation. Despite its wealthy fatty acid profile, Olive oil contains three major antioxidants; vitamin E, polyphenols, & phytosterols, all of which aid in maintaining skin & hair strength & smoothness. Further to this it contains a compound called Hydroxytyrosol, which helps prevent free radical damage to the skin. This particular grade is EP/BP certified & food grade. Very simple to use due to its refined state, light green in colour it will not affect your formulation aroma. |
| Functionality  | A rich fatty acid profile.<br>It contains three major antioxidants; vitamin E, polyphenols, & phytosterols.<br>A very stable oil & it will not impact your formulation aroma.<br>Contains the compound Hydroxytyrosol, which helps prevent free radical damage.<br>Food grade.  |
| REACH Status   | Bomar can confirm that Olive Pomace Oil, Refined supplied is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, #9. Hence registration is not required for this product. We can also confirm that none of the substances on the SVHC candidate list can be verified in a concentration of >0.1% in our product.   |
| Food Status  | Bomar can confirm that Olive Pomace Oil, Refined IS suitable for food application, only when the appropriate quantity/dilution is used. This material complies with European Food Regulations (i.e. 1881/2006). Please note, if you intend on using this product as a food ingredient we insist you email our Technical Team before doing so for our opinion on the dilution applied to your finished product.  |
