

GALLERY 16 INCH PICTURE LIGHT

CPA321

Picture lights create instant ambiance in a room, especially when dimmable. Start your evening with high output and throughout the evening adjust light down to change the mood. The line voltage, plug-in picture light light mounts to either wall or frame and will include an in-line On/Off switch. Our LED picture lights are designed to be kind to your art, eliminating harmful UV and Infrared light, which over time can fade your art. The Gallery series picture lights are classic in design and are finished to match the most common frame finishes.

FEATURES + BENEFITS

- LED light does not emit damaging UV or Infrared light which can fade artwork over time.
- Swivel at shade for maximum light adjustability.
- Diffused for even light spread.
- Dimmable with compatible dimmer (not included).
- UL Listed for Dry Location.
- Warranty: Limited 1 Year.
- LED Warranty: 5 years.
- Made in USA.
