120 ml	Autumn Delight	AU1020	Delicious blend of spiced red apples, cinnamon, mixed with just the right amount of musk and amber. This combination is perfect for a relaxing evening. The wood wick flame sets a cozy mood and the smell reminds you of delicious apple pie.	7.28 EUR.	
120 ml	<u>Winter Cabin</u>	WINCAB1020	Winter Cabin has a rich balance of apples and cinnamon. The crackling wood wick sets a romantic atmosphere. The scent reminds us of a cold night at a Christmas market while sipping on a delicious cup of gluhwein.	7.28 EUR.	
120 ml	<u>Sweet Holiday</u>	SW1120	The scent of winter berries, pine, and gentle notes of ozone and juniper give this candle a sharp and fresh smell. This unique combination makes you think of snuggling close to a fire in a mountain cabin while it snows outside. This scent is universal and you will want to smell it all year round!	7.28 EUR.	

1.	120 ml	<u>Sandwood</u>	SaWo221	The combination of sandalwood and dark musk is a classic blend that everyone can enjoy! This scent was inspired by long walks in the forests around Amsterdam. It's fresh, earthy, and great for meditation. The properties of sandalwood are great as it can help you relax and manage anxiety. This is my go-to when doing yoga, or taking a bath, really any time I want some quality time for myself.	7.28 EUR.	
	120 ml	<u>Cherry Blossom</u>	CB0221	This scent has notes of Cherry Blossom, with subtle hints of Magnolia, and Rose. It is a delicate scent yet energizing like a bright spring day! Cherry trees only blossom for a short time and represent new beginnings in Japanese culture. I hope this scent inspires you to celebrate each day as a new beginning and enjoy life to the fullest.	7.28 EUR.	

120 ml	Morning Sunshine	MS0221	This scent is an excellent balance between cotton blossoms and a slight hint of citrus. I think this scent captures a sunny morning in bed when you can smell clean sheets and the warmth of the sun streaming through a window. We love to light it up after cleaning the house because it makes everything feel crisp, bright, and fresh.		7.28 EUR.
