

PRODUCT INFORMATION

The celexon Battery screen Electric Professional Plus revolutionizes the equipment of conference and meeting rooms as well as in the home.

No plug | Just play! - The battery-powered screen does not require a permanent power supply and can be operated up to 500 times with a full charge. The discreet and crisp case design with flush-closing weighted bar is found through the entire Professional Plus series. The durable and smooth running motor with integrated RF remote control makes the screen a practical and convenient projection solution.

celexon Battery Screen
Electric Professional Plus

KEY INFORMATION

- Black side and bottom masking
- Black backed, impervious to light
- PVC cloth with fine structure for 4K to 8K projections
- Optimized gain factor of 1.1, viewing angle of over 150°
