

Easy & Simple Wireless Presentation & Collaboration in Every BYOD Classroom

NovoCast

NovoCast, the newest member of the NovoConnect™ wireless presentation and collaboration solution, now aims to bring smarter and more effective collaboration solution to K-12 classrooms. Intuitive and cost-effective, NovoCast provides teachers and student presenters with a multitude of file-sharing, annotation, and moderation tools to conduct effective and inclusive lectures, discussions, and presentations. A cable and clutter-free BYOD system, NovoCast enables multiple users to share their device's screen, regardless of platform or operating system.
