PRODUCT FEATURES

- All purpose, fast drying permanent ink marks on waxed cartons, stretch film, wood glass, rubber, tape, boxes, labels, and more.
- Advanced valve technology ensures smooth ink flow and provides up to 12 times the mileage of ordinary markers.
- Ergonomic cap is easy to remove and prevents marker from rolling.

TYPICAL USES

- Marking on difficult surfaces such as plastic labels, packaging, waxed cartons, tags and parts, as well as on glass, metal, rubber, wood, etc.
- Shipping room marking on corrugated, plastic wrap, wood, plastic tags, etc.
- Food packaging marking on Styrofoam, shrink wrap, in freezers, etc.
- Survey stake marking.
- Quality control marking, lab samples (glass slides, plastic containers).
- Suitable for signs, posters, canvas, auto glass, stone and concrete.
- Marking on plant, tree, and garden markers.

SAFETY INFORMATION

- Read MSDS before using (available online at www.umarkers.com).
- Based on CFR 29, 1910.1200 OSHA Hazard Communication Evaluation this product meets the definition of an "article" and are not subject to the hazards normally associated with the ink when used as intended.
- Keep out of reach of children. For professional use only.
