Shipping & Handling

• Shipping & Handling has a standard $14.95 / address.

• We offer priority, 2-3 day shipping, given the perishable nature of our product. Expedited shipping is available for an additional fee.*Shipping to PO Boxes is not recommended

• For the best experience, we recommend that your recipients open their package and heat and serve their pretzels immediately upon arrival. However, if they’re not ready to enjoy their pretzels right away, it’s important that they freeze them immediately to ensure freshness. They will stay fresh in the freezer for up to six months, so they can enjoy them at their leisure.
How long does it take to complete an order?
● Most orders can be supported within one week depending on how quickly your team can obtain and submit all crucial information.

How do you ship?
● We ship using priority shipping from our fulfillment center in Waltham, MA. Shipping times may vary, depending on location, but our team is able to suggest shipping dates depending on your desired delivery date. **We cannot ship to PO boxes.

Do you ship internationally?
● Unfortunately, we only ship to the 50 US States at this time, no exceptions.

What is the shelf life of your products?
● Our products are stored frozen, but shipped without dry ice or insulation. They traditionally thaw in transit, and are safe to refreeze. Our items have a 7 day ambient shelf life, meaning they can travel and be kept at room temperature safely for 7 days. We strongly encourage recipients to enjoy right away or freeze upon arrival.

How can we personalize our gift?
● We can include a gift message with up to 160 characters for no additional charge. We can include custom inserts, or stickers if sent to our fulfillment center with an additional fee. You can ship inserts/stickers to: Eastern Standard Provisions Co. 117 Beaver St, Waltham, MA 02452

What kind of dietary concerns do you support?
● All of our products are all natural and made with no artificial preservatives. Our pretzels and waffles are Kosher, and completely free of peanuts, peanut oils, all tree nuts, sesame, and shellfish. Our pretzels are vegan, however our waffles do contain milk and eggs so they are not vegan. We do not offer gluten free options at this time. For other allergen/dietary information, we recommend checking each product page on our website for ingredient lists.
'I wanted to thank you for taking outstanding care of the order my team placed. The feedback I received has been incredible. My employees love the pretzels and more importantly the service we received was second to none. '
