AUGUSTO — VINCENT VAN DUYSSEN 2023

1—
6

The Augusto sofa, by Belgian designer Vincent Van Duysen, is an exploration of contrasts: where past meets present and technical innovation meets the expert craftsmanship of Molteni&C. The key to Augusto's timeless aesthetic is the balance of soft, upholstered seats with the sophistication of its modern metal structure, creating a uniquely harmonious design that blends seamlessly with a multitude of environments. To enhance Augusto's unique silhouette, elegant piping runs along the cushions, defining their shape. In conceiving the Augusto sofa, Van Duysen started with the idea of total comfort and softness, meticulously examining the ergonomics of the body in relation to the seating and backrest. The sophisticated metal frame that forms the base of the structure runs along the perimeter of the sofa, emphasizing its volume and giving it a light touch. Augusto represents a novelty compared to past Molteni&C collections: it is in fact a non-modular sofa, available in two depths 100 cm and 116 cm and four configurations 185, 205, 235, 270 cm, plus an element with a depth of 150 cm - offering maximum flexibility and versatility to adapt to any living space. The deeper element creates a chaise longue style seat. The frame is composed of solid wood while the padding is made of high-bearing, variable-density polyurethane foam, ensuring maximum comfort. The seat cushions are made of High-firmness, variable-density polyurethane foam and recycled polyester fibre. The painted aluminium base rests on the ground thanks to aluminium feet with non-slip tips. The seats represent the ultimate in softness. Augusto is available in all of the Molteni&C textile and leather colours, and can be embellished with different options of piping - anthracite, dark brown, olive green, paper white, beaver, saddle leather colour, iron, black, cream, sand, mouse grey - allowing one to customise the sofa's aesthetic.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.

TECHNICAL INFORMATION

INTERNAL STRUCTURE

Frame made of solid spruce (Picea abies) and particle board panels, with elastic straps.

PADDING STRUCTURE

High-firmness, variable-density polyurethane foam. Cover in bonded velveteen.

SEAT CUSHIONS

High-firmness, variable-density polyurethane foam and recycled polyester fibre. 100% cotton cover.

BACKREST CUSHIONS

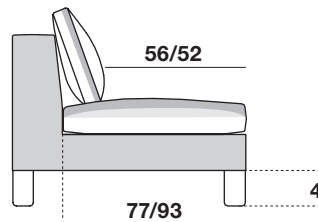

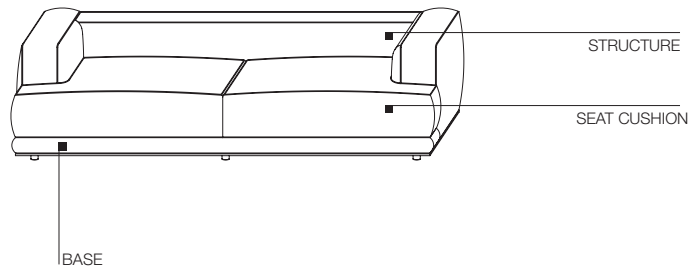

Cover made of 100% cotton, recycled polyester fibre.

BASE

Painted aluminium profile, aluminium feet with non-slip plastic tips.

AVAILABLE IN FIRE-RESISTANT
VERSION TB117 AND BS5852
FOR A 12% SURCHARGE

Depth of seat structure alone 77 cm (depth 100 cm)
Depth of seat structure alone 93 cm (depth 116 cm)
Depth of seat with backrest cushion 65 cm
Depth of seat with backrest cushion 56 cm (depth 100 cm)
Depth of seat with backrest cushion 52 cm (depth 116 cm)
Height from floor to bottom of sofa 4 cm

NOTES

- **For optimal ergonomics and comfort, we recommend designing each model with one or more backrest cushions according to the measurements given in the price list. In addition to optimal ergonomics, these elements complete the product and give it an elegant appearance.**
- **The structure and cushions are assembled with a profile according to the following rules:**
 - **fabric covers:**
grograin profile in the colours indicated in the finishes section
 - **leather covers:**
profile in the same type of leather and in the colours in the collection.

FINISHES

GROSGRAIN FINISHES

- anthracite
- dark brown
- olive green
- paper white
- beaver
- saddle leather colour
- iron
- black
- cream
- sand
- mouse grey
