DEVON — RODOLFO DORDONI 2020

Two chairs, two bucket armchairs, a pouf, one bar stool with backrest and another without and a complementary coffee table, these are the components of the Devon collection. All the frames are made of solid ash with eucalyptus, walnut, graphite oak, grey or black oak veneers. Seats and backrests upholstered in fabric or leather chosen from the Molteni&C range. The table top is available in various types of marble. The strong feature of the solid wooden frame balances the fluid line of the backrests, blending ergonomics and elegance to create refined and comfortable chairs. Each element of the Devon collection expresses the value of craftsmanship, which is manifest in the way the top quality materials are processed, with details expressed with dedication and passion.
