## DOMINO NEXT — NICOLA GALLIZIA 2016

1—  
3

In his search for stylized forms and characterful materials, Nicola Gallizia develops a series of versatile and complementary units that can fit into each other or be set side by side, such as small oval tables, benches and poufs. They are made using and alternating steel, wood, stone, textiles and leather. Color, matter and form are the inspiration and the synthesis of the collection.
