

Norwegian CME Cruise

Norwegian Encore, departing Seattle, June 16-23, 2024

We have reserved a block of cabins, including Interior, Balcony and Mini Club Balcony cabins. Suites are available, but pricing varies. Norwegian requires that groups book their cabins through a single travel agent. We use the CME group experts at CME Custom Travel, (469) 314-6959 or Dan@CMEcustomtravel.com

For current pricing, contact CME Custom Travel at the above number or email.

Itinerary: Conference schedule subject to adjustments, but it is designed to allow the most time for recreational activities while visiting ports. We fit most of the 16 hours of CME into the days at sea. Optional Q & A sessions are held late in the afternoons on days when the ship is in port the entire day.

Additional CME Info: At the conference, we will give you 6 months access to Outpatient Medicine Update Online for no charge. If you miss any live sessions, you can watch those online continuing medical education topics at your convenience. We also give you 6 months access to our online Opioid Prescribing and Pain Management course, which gives you up to 2 hours CME. At least 40 states now require some opioid continuing medical education; our online CME course meets most state requirements.

PDF's with the slides are emailed out 3 days before the conference. Due to internet issues at sea, if you want to download the slides to your iPad or laptop, it's best to do that before the cruise departs.

At the end of the conference, we will give you a link to fill out the evaluation; after completing the evaluation, your CME certificate will be emailed within 3 business days.
