HOME DECORATION GUIDE | 2023

WHAT'S NEW AT ENZA HOME?

Enza Home refreshes your home with contemporary and rich details while transforming living spaces into a new center of elegance and comfort. We invite you to our nearest showroom to discover new collections of 2023 and explore the opportunities.

Enza Home is the concept brand of the Yataş Group, presented to the tastes to create new life concepts.

New Core of Life

The importance of turning living spaces into comfortable, positive and liveable places is increasing day by day in recent years, when the time we spend at home has increased, as we have had to move away from social life. Houses are now the new cores of life as they sometimes turn into an office, a school, a fun playground or a pleasant socializing environment to spend with friends.

1. RIGA SIDEBOARD
Walnut and black color combination. Decorative shelves and 2 multi-purpose drawers. Metal matte black handle design congruent with the collection.

Sideboard

Sideboard Mirror

2. ALICE LAMP

3. FLOW CARPET

RIGA DINING ROOM, which combines distinguished material combinations with refined lines, presents an impressive example of the concept of contemporary luxury. While creating an eye-catching atmosphere in living spaces with the simple elegance of the dark walnut, black and metallic color combination, it emphasizes the linear elegance of the series with its metallic effect and black linear design on the sideboard covers.

Table (Extendable)

2 different table alternatives, fixed and extendable. Special design lacquered legs and marble-like top surface application on the fixed table.

SPECTRUM CARPET COLLECTION, designed with a new generation aesthetic understanding that we are accustomed to see in contemporary decoration setups, stands out with its versatile use advantage provided by its extraordinary use of patterns and plain Colors. While it provides ease of cleaning by not trapping dust and dirt with its antistatic, anti-allergic structure, it offers comfortable use in many different places thanks to its moisture resistant structure.

FOCUS
CARPETS

Ground Aesthetics

Adding warmth and meaning to the space by referring to the sense of living, the carpets accompany the new season's original, flexible and eclectic attitude as a rich detail. Enza Home carpet collection, in which a unique design approach that combines quality and aesthetics shows itself in every detail, carries the strong style color of the past to the spaces of the future following the pioneering decoration trends.

You can visit enzahome.com for Color and size information of the carpet collection.
