

Card 1

Ink blend background
Colours used in video (in order from top to bottom)
Mowed Lawn
Salty Ocean
Wilted Violet
Picked Raspberry
Ripe Persimmon
Squeezed Lemonade

Splatter background with gold/other metallic water colour and leave to dry.

Diecut Party Balloons cover plate out of matte black cardstock (or your choice of cardstock)

Diecut the Happy Birthday word diecuts out of matte black cardstock for the letters, and matte gold for the shadow part. Also diecut two or three shadow parts for layering the sentiment up. Glue these together if you want to take your time.

Advanced step: Add your choice of bling. I have used Golden Illusion Meraki Sparkle gems.
*Don't do this if you are unsure of where you are going to place your word diecut and/or cupcakes.

Card 2

Splatter a white card base with gold water colour and leave to dry.

Diecut the Party Balloons cover plate out of matte black or gold card stock.

Diecut the Celebrate word diecuts out of matte black card stock for the letters, and matte gold for the shadow part. Glue these together and leave to dry.

Diecut the cupcakes of your choice out of the Be Your Own Kind Of Cupcake EAP. Add foam tape to the back, OR layer up with two or three diecuts out of plain card stock.

Advanced step: Add your choice of bling. I have used Golden Illusion Meraki Sparkle gems.
*Don't do this if you are unsure of where you are going to place your word diecut and/or cupcakes.

Card 3

Ink blend background
Colours used (in order from top to bottom)
Mowed Lawn
Salty Ocean
Wilted Violet
Picked Raspberry
Ripe Persimmon
Squeezed Lemonade

Splatter background with gold/other metallic water colour and leave to dry.

Diecut Party Balloons cover plate out of matte gold cardstock (or your choice of cardstock)

Diecut the cupcakes of your choice out of the Be Your Own Kind Of Cupcake EAP. Add foam tape to the back, OR layer up with two or three diecuts out of plain card stock.

Diecut the Birthday Wishes sentiment out of the Be Your Own Kind Of Cupcake EAP, as well as one or two extra pieces out of plain card stock to layer these up.

Advanced step: Add your choice of bling. I have used Golden Illusion Meraki Sparkle gems.
*Don't do this if you are unsure of where you are going to place your word diecut and/or cupcakes.

Card 4

If you haven't kept the pieces from any of the other cards, start from scratch by diecutting the Party Balloons cover plate out of matte gold card stock and matte black card stock. Keep the balloons from the matte black piece.

Adhere the gold Party Balloons diecut piece to a shiny black panel.

Puzzle in the matte black balloons into the diecut.

Add gold highlights to the balloons.

Diecut the Celebrate word die out of matte gold cardstock for the letters and shiny black card stock for the shadow part. Also cut out two or three shadow parts, depending on how high you like your sentiments to be. Glue this together and set aside.

Advanced step: Add your choice of bling. I have used Golden Illusion Meraki Sparkle gems.
*Don't do this if you are unsure of where you are going to place your word diecut and/or cupcakes.
