

WALL GUARD

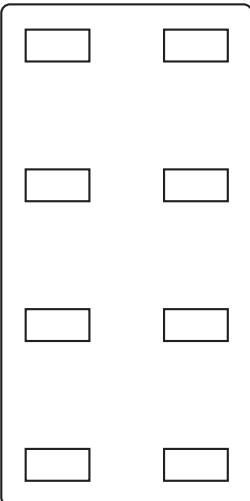

Double Sided / Reversible
(Side A Silver / Side B White)

WALL GUARD

15.74 Inches

31.49 Inches

SPECIFICATIONS

Size: 31.49 x 15.74 x 0.11 (Inches)

Material: Aluminum

Product: This wall guard can be installed either white or silver

INSTALLATION INSTRUCTIONS

1. Double-sided mounting tape (strong adhesive tape designed for wall applications).
2. Start by cleaning the wall surface thoroughly where you intend to install the hand dryer wall guard.
3. Use a clean cloth and rubbing alcohol or a suitable surface cleaner to remove any dirt, grease, or residues that could affect the tape's adhesion.
4. Peel off the backing from one side of the double-sided tape to expose the adhesive.
5. If you want to install the white side of the wall guard, put the double-sided tape on the silver side. If you want to install the silver side, put the double-sided tape on the white side.
6. Once the wall guard is installed, inspect it to ensure it is securely attached to the wall. Press along the edges and corners to ensure good adhesion.

WARNING: Alignment is critical. Once placed on the wall, the Wall Guard cannot be re-positioned.

- Remove the protective film from both side of wall guard.
- Place 8 double sided tape as shown on the image to the left.
- Press each tape firmly on the wall guard.
- Peel and stick the wall guard on clean surface .

CLEANING INSTRUCTIONS

Clean the installed Wall Guard with mild soapy water and a soft cloth. Mild dish soap mixed with water in a spray bottle works best.

DO NOT USE any cleaner that contains any ammonia or abrasive cleansers to clean the surface.
