## Options for Card Back "message to friends"

Dear Family and Friends,

Acknowledgement of our baby's short life may be upsetting to you. You may think the less said, the better. Until now, we did not know how important it would be for us to tell you of our baby even though our baby died. You can help us through this difficult time by letting us talk about our sorrow when we feel the need, allowing us to cry when we want, and not pretending everything's okay...when it's not. It will take time, but with your support we will make it.
