Light that matters

## Molecules Care Instructions

The origami lampshades in this collection are made of the best quality origami paper which easily resists environmental influences and changes. We recommend regular dry dusting with a feather duster or a very soft (paint) brush in order to maintain the appearance and quality.

1

Long touch: Dim up/down.

2

Brief touch: On/off.

100-240 V

15wt LED light source 1200 Lm (2700 warm white)  
dimming 0-100%

Package

Volume: 52 x 52 x 136cm, 21 x 21 x 54"
