MARGARET RIVER

# LACACHE

## SPARKLING ROSÉ

### 2014

For our La Cache wines we specialise in creating quality sparkling wines from premium parcels of Margaret River fruit.

Spending more than 80 months on lees, this sparkling rosé is a gorgeously expressive wine made exclusively from Shiraz. Blush pink in the glass, its wild red fruit, cranberries and ripe pomegranate aromas are complemented by subtle toasted brioche and sweet herbal sage notes. Plenty of pomegranate and cranberry flavours on the palate are complemented with a beautifully smooth mouth-pleasing mousse of fine, delicate bubbles all wrapped up in a juicy, yet dry finish.

Crafted by the méthode traditionnelle, traditional French winemaking methods, our wines are aged on lees for several years, enhancing their character and complexity while retaining lively, fresh fruit flavours.

### WINEMAKING

Hand-picked in the early morning and carefully processed to retain fresh fruit flavours and natural acidity. The wine was then bottled traditionally for the secondary fermentation and aging on yeast lees for more than five years. After disgorging, dosage and dressing the wine is ready for your enjoyment.

### QUICK NOTES

Vintage: 2014  
Winemaker: John Frazer  
Grape Variety: 100% Shiraz  
Bottled: June 2014  
Disgorged: October 2022  
Growing Area:  
100% Margaret River
