Polycarbonate and ABS security seal.

Nylon coated 7 strand stainless steel sealing wire.

Dimensions

Seal flag: 27 x 13mm

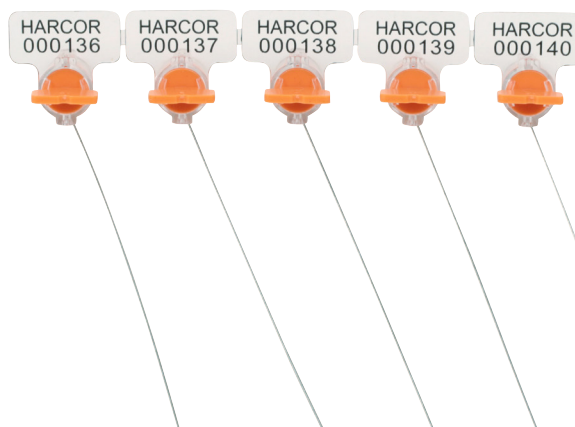

Cable length: 250mm

Cable diameter: 0.7mm

Carton (1000 units)

Size: 370 x 260 x 240mm

Weight: 3.35kg

Code	Description
SS13410	Tool Less Meter Seal with sealing wire - Orange
SS13402	Tool Less Meter Seal with sealing wire - Blue

Usage Instructions: Start by feeding the sealing wire through the seal's free orifice. The tab on top of the seal is then twisted clockwise to secure the wire in place. Once secure the tab is to be removed by bending it in either direction.

Applications: Suitable for a wide range of applications, some typical applications include sealing meters, fuel tanks, gasoline pumps, drums, scales, etc.
