

INTRODUCING THE HAWK SEAL

A **Re-usable Padlock** combined with a **one-time use tamper evident Plastic seal** for use on catering and duty free carts

- Padlock features an all-steel internal locking mechanism.
- Convenient chain for attaching to catering and duty free carts.
- The one-time use disposable plastic seal displays tamper evidence from a distance.
- Features an easy break tear line that displays a jagged edge once the seal is broken.
- Customisable logo, barcoding & sequential numbering.
- Laser printed.
