Material

Brass

Dimensions

Unit

Min slot size 1.2mm

Carton (1000 units)

Size: 530mm x 250mm x 170mm

Weight: 2kg

1. Code seal, if required, with Clip Seal Coding Tool.

2. There are 3 ways of applying the seal depending on the type of wire used:

   Thick wire: Twist the wire within the body of the clip seal.

   Thin wire Wrap wire around the hinge of the seal.

   String Apply seal after the knot point.

3. Hold the clip seal between the thumb and forefinger and press closed.

   Remove by cutting string or wire.
