

EPIC SEAL

Epic Seal is a variable length seal made of high quality plastic polypropylene. The security seal incorporates a strong and durable stainless steel locking mechanism. The modified design improves the strength of the seal; while the seal cover is made of translucent plastic to reveal evidence of tampering to the metal jaw of the seal.

Key features

- Flexible and adjustable providing trouble-free handling.
- Large flag, increased space for decoration and easy identification of seal numbers.
- Weather resistant self-locking chamber.
- Secure gripping prongs.
- Effortless tail insertion.
