Rose Pods

A series of pendant light in 2 distinctive sizes: organic cvurved shape.

Process	Rose Pods shades are formed with the use of vertical slats. Assembly is required. Once assembled the individual pieces form a strong form that is unified. Kit set light-shades are on average 1/30th of the volume of the assembled light. This aims to help minimize the effects of shipping and to reduce the design's environmental footprint.
Year of Design	2021
Product Code	ROPNDSTN - Standard ROPNDMIN- Mini
Type	Pendant Light
Color	Light Walnut
Certification	UL Certified FSC EPA TSCA TITLE IV CARB Phase 2
