FOR YOUR CHILD'S SAFETY

READ ALL INSTRUCTIONS BEFORE USING

When using electrical products, especially when children are present, basic safety precautions should always be followed, including the following:

DANGER To reduce the risk of electrocution: • Do not place or store the charger where it can fall or be pulled into a tub or sink. • Do not place the charger in or drop into water or other liquid. • Do not reach for a charger that has fallen into water. Unplug immediately.

WARNING To reduce the risk of burns, electrocution, fire, or injury to persons: • Close supervision is necessary when this product is used by or near children. Keep away from children and out of reach. • Use this product only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer. • Never operate this product if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or if the charger has been dropped into water. Return the product to a service centre for examination and repair. • Keep the cord away from heated surfaces. • Not suitable for microwave sterilization. • Brush handle is not dishwasher safe.

IMPORTANT Periodically check the cord for damage. A damaged or non-functioning unit should no longer be used.
