

Downlights Fundraising

Let the conscious luxury of Downlights products take your fundraising campaign to new levels of success!

Whether it's for a school, club or team, Downlights Fundraising enables you to raise money and support a NZ social enterprise that gives back to the community.

With an extensive range of fragrances and designs, Downlights candles are positively received by your supporters. We share a generous financial margin with you, and every candle sold also helps us build more employment opportunities for young New Zealanders with Down syndrome and cognitive disabilities.

Downlights is passionate about giving back to the community, and Downlights candles are a healthy, desirable and straightforward alternative to other fundraising options.

We help you, you help us and we all help our local community.

How it works:

- 1. We provide you with a unique code to use at the checkout on our website which allows your database access to 10% discount for a limited time offer.
- 2. The campaign can run from 2-4 weeks.
- 3. The code will give you 10% discount off the entire website, except for the Outlet section.
- 4. The discount code name needs to be entered in the SPECIAL INSTRUCTIONS section at checkout so we can track the sales and give you your profits!
- 5. At the end of the campaign, you receive 30% commission deposited into your bank account.
- 6. We will provide you with our logo, imagery etc to help you build a fabulous campaign to raise funds for your worthy event.
