Part # AYRDT220-TS-GSK

For additional support, call 1-800-810-WIRE or visit www.yalerealliving.com

ENLARGED Deadbolt Strike *comes with Yale Real Living deadbolts*

The enlarged strike is slightly larger than the existing standard strike on the door. Only use the enlarged strike to correct situations where excessive force is required to lock the existing deadbolt hardware. Yale Real Living locks feature a motorized tapered deadbolt to help correct most misalignment conditions.

Complementary mechanical hardware also available at www.yale2you.com
