

Podium

The Podium Modular Collection is an adaptable seating system that brings modern elegance and luxurious comfort to any space. The Podium features seven core components that can be arranged in unlimited configurations to suit any vision or layout. Components can then be easily reconfigured or added later to adapt to your evolving lifestyle. Each component showcases a relaxed silhouette inspired by 1970's Modernism: a low and deep sit created by plush seat and back cushions, and an attractive, subtly angled, chamfered base.
