PRODUCT DETAILS

Reflect Defense Window Film is a durable, optically clear, scratch resistant, removable product that protects artificial turf and vinyl siding from melting by reducing the sun's damaging reflection off of home or office windows.

It's specifically designed to protect artificial turf and vinyl siding from melting by reducing the sun's damaging reflection from home or office windows. This adhesive film is easily installed with soapy water and a squeegee but must be applied to the exterior surface of windows. Once applied, it resembles a screen on a window and offers great interior visibility. Additionally, this film blocks 99% of harmful UV rays, stops birds from flying into windows, and peels off cleanly when removed.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.
