### FEATURES

The Olivia 8 part dressform is available in four sizes and features 12 thumb wheels to allow adjustment to the Bust, Waist & Hip measurements.

Featuring a five star base with lockable wheels, height adjustment, an adjustable neck with a hand adjuster that causes the top half of the dressform to raise and fall, changing the bank length.

This dressform comes with an off-set column (also known as a leg form) to enable the creation of pants/trousers, allowing them to hang straight.
