

KETTLER

The home of

Casual Dining[®]

KETTLER

A relatively new concept to the UK, Casual Dining originated in Australia where they know a thing or two about outdoor living. This new idea is a fusion of lounge and dining making it incredibly versatile and great value for money. A touch of luxury offering relaxed seating and dining in one. Perfect for indoor and outdoor use. Available in weatherproof wicker, it could change the way you use your garden or conservatory forever.

Casual Dining[®]
The fusion of lounge & dining

Wicker

Our weather-proof wicker will give your garden a warm sumptuous feel. Each product is hand woven to the highest standards and materials to produce a product which is unrivalled. There are two wicker colours to choose from - rattan and whitewash.

Polywood Table Tops

Polywood is maintenance free with a beautiful wood appearance. Best of all, it's made with recycled material.

Cushions

All our wicker furniture comes complete with deep, sumptuous and tailored cushions ensuring you get maximum comfort whether you are dining or relaxing.

Accessories

We offer a range of co-ordinating accessories to complete the look including; parasols, storage and extra seating.

Protective Covers

Kettler's tailored protective covers will protect your furniture during the spring and summer months.

Whats the difference?

€349

2.5m Free Arm Parasol
with high quality night cover.
Base weights not included.

Our 2.5m and 3.5m Free Arm Parasols come complete with a base frame that accommodates four standard UK slabs (450mm /18") – two per side (slabs not included). Extra heavy slabs can be purchased from Kettler where only 2 are required. The base can be positioned wherever required and because of the 270 degree rotation it doesn't need to be moved when raising and lowering the parasol. The parasol also has multiple locking positions so it can be fixed in the desired position.

Free Arm Parasol Base

Our 2.5m and 3.5m Free Arm Parasols come complete with a base frame that accommodates four standard UK slabs (450mm/18") – two per side (slabs not included). Extra heavy slabs can be purchased from Kettle where only 2 are required. The base can be positioned wherever required and because of the 270 degree rotation it doesn't need to be moved when raising and lowering the parasol. The parasol also has multiple locking positions so it can be fixed in the desired position.

Parasols & Cushions

We do not recommend that parasols are left up when not in use or in windy weather.

We do not recommend that cushions are left outdoors unprotected when not in use.
