DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Use Mosquito Repellent

1. Remove one mat from wrapper.
2. With Thermacell device off and completely cool, insert and center mat under grill.
3. Attach Thermacell device to the power source specified on the device directions.
4. Follow your device directions to activate mosquito repellent.

To Turn On/ Off

Refer to the appliance's packaging.

To Replace Mosquito Repellent Mat

Make sure device is off and cool; push used mat out by inserting a fresh one.
