

I See Cookies In Your Future

We are South Jersey's FAVORITE Cookie Company!

"As a small child, every Sunday my grandmother would bake delicious treats for me. It was our special time together in the kitchen. She made sweet potato pie, decadent banana pudding and other Southern treats just to name a few. However, she never baked cookies. I loved those moments and carry them with me today.

Years later, with a family of my own and a busy schedule, I decided to create those moments with my family. I began sharing the one thing she never baked, but I know she would love, which were cookies."

"Here I am, Glassy Brown Cookies!"

-Founder, Arlene Felder

Dear Friend,

Thank you for choosing Glassy Brown Cookies for your organization's fundraiser! Glassy Brown Cookies is a family-run business built on quality, integrity and love. At Glassy Brown Cookies, we value our patrons and we are just small enough to call you our family.

Glassy Brown Cookies was founded by New Jersey momager, wife and entrepreneur Arlene Felder. With her family's busy schedule, Arlene had a desire to provide her growing family with the same legacy of savory treats, but to go. Arlene found herself filling her home with the same yummy scents and flavors of her grandmother's kitchen. Soon, her family and friends were sharing her treats and asking for more. Thus, Glassy Brown Cookies was born!

Glassy Brown Cookies is excited to partner with you and offer you the convenience of our deluxe Cookie Dough.
