

# T5 UNDERCABINET (3CCT) 1FT

## T5101013CTWH

Luminiz Undercabinet fixtures are a great lighting solution for task or accent lighting in commercial, retail, hospitality and residential applications. This flexible lighting solution can be used for under and over cabinets, display cases, and coves. The integrated driver and packaged mounting hardware facilitate an easy and efficient installation experience.

### SPECIFICATION

#### Product Specification

Base: T5  
Lamp: Tube  
Finish: Frost  
LED: 36  
Actual Dimensions: 11.29" (287mm)  
Power Consumption (W) : 4W  
Lumen (lm): 360  
Voltage Input (Vin): 120V AC  
Lifespan (hrs): > 50,000  
3 CCT Colour Temperature : 2700K/4000K/6000K  
Chip: SMD3014  
LED Manufacturer: LUMENMAX  
Dimmable: Yes

LUMENMAX LED

3 CCT (2700K,4000K,5000K)

White Trim

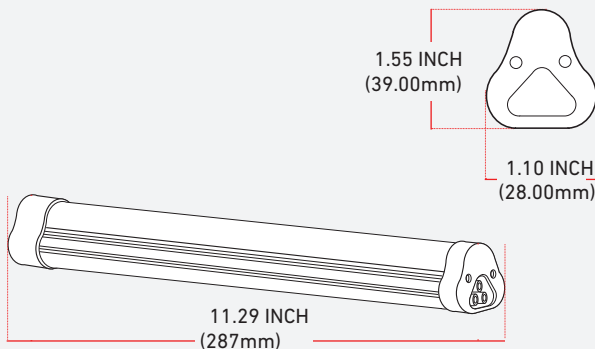

### FEATURES

- Silent Operation
- No Flicker
- Instant On
- Save On Labour Costs
- Single Side Power Input
- Visually Indicated Non-Conductive Dummy Input
- Substantial Energy Savings
- Environmentally Friendly
- No UV or IR Radiation
- Integrated driver
- Extensive Range of Applications
- Operating Temperature: -20 °C ~ 45 °C
- Environmental Humidity: 10% ~ 90%
