

Warm White (3000K) Cold White (5000K)

**Product Name**

TL02114300---- : 14.4W/M 3000K - 1 Meter

TL02114400---- : 14.4W/M 4000K - 1 Meter

TL02114500---- : 14.4W/M 5000K - 1 Meter

Product Specification

Voltage: 24V DC

Number of LED (14.4W/M): 180 per meter

Lumen per meter : 1026lm (3000K) | 1150lm (5000K)

IP Rating : IP68

LED Type : SMD 3528

Dimension : 100cm (Length) 0.8cm (Width)

Included: Silicone clips for installation

Lifespan: 50,000hrs

Environmental Operating Temp: -30°C - 75°C

Dimmable: Yes

Product Features

Able to use multiple units on the same driver

Cuttable and Bridgeable

Maintenance Free

Silent Operation

Excellent for hot and cold weather applications

Environmentally friendly

No UV or IR Radiation

Extensive range of applications

Instant On
