

Quilt Label

TEMPLATES

HOW TO USE:

Option 1: Cut a piece of light colored fabric a bit larger than dotted line. Place fabric on top of desired label and using a light box, trace design with permanent fabric marker.

Option 2: Print this image onto printable fabric sheets.

Option 3: Print this image onto printable iron-on sheets (reverse image.)

Finishing: Add quilt information. If desired, embellish with fabric markers, fabric paint, or embroidery.

Cut finished label out on dotted line. Press excess fabric under. Hand stitch to quilt back using blind stitch.
