- 964
- 3824
- 959
- 722
- 3812

To make Chuck:

- Following the manufactures instructions- Add heat n bond lite or feather lite to the back of yellow fabric
- Trace the Chuck template and cut out.
- Place in the center of the block and iron in place.
- Machine stitch using a blanket stitch or zig zag around the edge of Chuck to secure him in place.
- Embroidery the beak using a sating stitch and the eye using a single french knot.
- Trace the embroidery design onto stick & stitch and place as desired.
- Embroider Using your favorite embroidery stitches and DMC floss.
- Rinse away solvy using warm water, let dry.

Embroidery Design

Trace floral design onto stick & stitch

Stitches Used
