NO	Part No	Picture	Part description
1	03004095		Condenser assembly
2	03004106		Condenser support
3	03004094		Condensing heat pipe row
4	03004087		161 Fan (Cold)
5	03004082		Defrost tube (cold)
6	03004083		3-way separator tube (cold)
7	03004143		Oil-gas separator
8	03004005		Drying bottle

9	03004108		hoop
10	03004090		Condenser casing
11	03004050		Defrosting solenoid valve
12	03004103		Harness assembly (single temperature)
13	03004013		relay
14	03004031		Temperature sensor
15	03004004		Integrated line interface board
16	03004030		Safety tube
17	03004002		Safety plate
18	03004100		Safety plate

19	03004096		Temperature controller
20	03004051		Safety plate
21	03004091		Evaporator assembly
22	03004117		Evaporator outer cover
23	03004088		Expansion valve
24	03004093		131 Fan (evaporator)
25	03004098		3-point storage steam tube
26	03004097		3-point defrost tube
27	03004102		4-point high pressure tube
28	03004101		5-point low pressure pipe

29	03004070		Outlet pipe
30	03004089		Temperature controller fixing plate
31	03004062		Return oil capillary
32	03004092		Pipeline slot cover
33	03004148		Multigroove compressor
34	03004064		Inlet compressor
35	03004032		O-ring seal
36	03004137		Condenser windshield
37	03004109		3-way pipe joint (dual-temperature cab)
38	03004096		Temperature controller

39	03004161		2# valve core
40	03004153		Pressure belt wheel
41	03004158		Adjusting light wheel
42	03004159		Compressor belt
43	03004160		Compressor support
