• FITZBILLIES BREAD •

We make all the bread served in our cafés in our own bakery in Cambridge. Our three most popular loaves are:

Everyday Sourdough: A white sourdough made with just three ingredients: Marriage's organic wheat flour, sea salt and water. Lighter than most sourdoughs, it's fantastic to eat as bread and even better toasted,

Cambridge Sourdough: A brown sourdough made with local, organic wholewheat flour from Foster's Mill, Swaffham Prior. Slightly more pronounced sourdough tang and lovely chewy texture.

Super-Seedy Loaf: A light, brown yeasted loaf made with Marriage's organic wheat flour and an abundance of sunflower, pumpkin & flax seeds.

If you like the bread you have with your meal why not ask for a loaf to be added to your bill. Your waiter will bring it to your table.
