## • FITZBILLIES BREAD •

We make all the bread and the English muffins served in our cafés in our own bakery in Cambridge. Our three most popular loaves are:

**Everyday Sourdough:** A white sourdough made with just three ingredients: Marriage's organic wheat flour, sea salt and water. Lighter than most sourdoughs, it's fantastic to eat as bread and even better toasted, so we serve it with our Full Fitzbillies breakfast and many other dishes on the menu

**Cambridge Sourdough:** A brown sourdough made with local, organic wholewheat flour from Foster's Mill, Swaffham Prior: slightly more pronounced sourdough tang and lovely chewy texture.

**Super-Seedy Loaf:** A light, brown yeasted loaf made with Marriage's organic wheat flour and an abundance of sunflower, pumpkin & flax seeds.

We serve a selection of these breads in our tins of bread or toast, and with soup and other dishes. If you have a preference or would like bread made with non-gluten-containing ingredients please ask your waiter.

If you like the bread you have with your meal why not ask for a loaf to be added to your bill. Your waiter will bring it to your table.
