Mela

Trusting someone takes time. It’s a process that requires a lot of patience and love—especially when such a bond needs to be forged between a rescued animal with an unknown past and a new family with expectations of their own. Written by Maddalena Schiavo and based on illustrator Eleonora Pace’s real-life journey of adopting a dog whom she named Mela (Italian for “apple”), this tender picture book narrated in first person will strike a chord with animal lovers and pet owners of every age and provide a springboard for social and emotional learning (SEL).

Maddalena Schiavo lives near Vicenza, Italy, at the foot of Bellaguardia and della Villa, known as the “castles of Romeo and Juliet.” After graduating with a degree in philosophy, she worked for many years in a public library and then began publishing children’s books in Italy. She connects with readers at workshops and visits to schools, libraries, and bookstores.

Italian illustrator **Eleonora Pace** celebrates the diversity and idiosyncrasies of the animal kingdom in her body of work. For about 10 years, she has also been working as an art and watercolor teacher with people of all ages. Since 2020, she has lived in the peaceful mountains of South Tyrol (Italy), where she works as an art teacher for some local art schools and continues her work as an illustrator.

Aunt Sue's Stories

Storytelling is an ancient and powerful human tradition. It ties us to cultural memory and the experiences of those who came before us, linking one generation to the next. Oral tradition is of keen importance to Black heritage and is honored here in this classic work by poet and Harlem Renaissance leader Langston Hughes. Vivid illustrations by contemporary artist Gary Kelley pair with Hughes's 1926 poem in picture-book form to invite young learners to curl up and listen as Aunt Sue recounts her many shadow-crossed stories of slavery and a life hard lived.

A writer of poems, novels, short stories, and plays, **Langston Hughes** (1901–67) began his career as a prominent force of the Harlem Renaissance and continued to use his lyrical voice to amplify and celebrate Black culture in America for the rest of his life. “Aunt Sue’s Stories” originally appeared in his first poetry publication, *The Weary Blues* (1926).

Gary Kelley is an award-winning illustrator. His books include *Next Year*, *The Navajo Code Talkers*, *Harlem Hellfighters*, *Virginia Was a Spy*, and *Banned Book*, all published by Creative Editions. He lives in Cedar Falls, Iowa.

See This Little Dot

When is a dot “not just a blot on a page”? In Jane Yolen’s characteristically imaginative, free-verse explanation, the humble dot can take on many functions, from a spot of food to an animal’s eye, from a marble to a moon. As Yolen extolls the dot’s satisfying shape and innate neatness, illustrator Laëticia Devernay brings it to life in this read-aloud picture book and sends it bouncing, rolling, and teetering off the edge of the page—only to reel it back to fulfill its best and truest purpose: marking The End.

Jane Yolen is an award-winning author, poet, and teacher. She has written more than 365 books, including *What to Do with a Box*, illustrated by Chris Sheban, and the Caldecott Medal-winning *Owl Moon*, illustrated by John Schoenherr. The Educational Book & Media Association honored her significant contributions with its 2018 Jeremiah Ludington Award.

French artist and graphic designer **Laëticia Devernay**, a graduate of the École Supérieure des Arts Décoratifs in Strasbourg, has received several international awards in little more than a decade of work. This is her third book for Creative Editions, after *Shapes All Around* and *Color*.

Mix a Pancake

Young listeners and readers will be “stirred” to action as they follow along with the lilting rhyme, rhythm, and repeating words of Christina Rossetti’s classic children’s poem, illustrated as a board book by Swiss artist Monique Felix. The animal characters portrayed in Felix’s expressive, child-friendly style convey irreplaceable emotion and energy, while a basic recipe for pancakes presented at the outset lends an element of nonfiction to the lyrical text. A simple, accessible introduction to poetry for little learners.

Born in 1830, **Christina Rossetti** privately published her first poetry collection, *Verses*, at age 17. With the support of her literary family, she continued writing and became one of the most celebrated poets of England’s Victorian age.

Swiss artist **Monique Felix** has illustrated more than 40 celebrated children’s books, including *Let’s Go Outside*, *Chicken Wants a Nap*, and *Where Do I End and You Begin?* Among her many honors is the Octogone Prize from the International Center of Children’s Literature in France.

As earth turned
something wiggled;
as creatures gathered
something grew.

Sister Spring

After Sister Spring awakes “with the first daffodil on the very last breath of frost,” she colors the sunrise with a kiss, provides thunder for the hills, and invites the reader to gambol in the meadow and “dream the seeds of the morrow.” A companion to *Mother Winter*, this poetic celebration of springtime revels in the life-affirming renewal of the season.

“Joyful and lyrical; a lovely way to represent spring.”

—*Kirkus Reviews*

And up from the dirt
budded a wee green girl,
a spring leaping deer thing,
with roots and sprouts and fringes and toes,
and we called her Sister Spring.

You can use a long stick
to fish for brown trout,
or fix up a weather vane
spinning about.

What to Do with a Stick

In this last installment of Jane Yolen's trio of books about ordinary objects with extraordinary uses, the humble stick is lauded as "a sword to tame monsters of dread" and "an oar for a rowboat in puddle or pond," among other imaginative functions. As with most things, though, it fulfills its truest purpose when combined with others: what can be made with a stick, a box, and a string? "Music that goes with ... everything!"

"The story is a love letter to both creativity and the childhood exuberance of imaginative play." —*Kirkus Reviews*
