MULTI-CHARGER 20V/40V - POWDP9055

The Dual Power 20V/40V multi-charger has 4 ports and 1 USB port, which means you can charge several 20V and 40V batteries and for instance a mobile phone, MP3 player or Bluetooth headset at once. So you no longer lose any time. Charging the 20V battery takes only one

hour. Charging the 40V battery takes 2,5 hours. The charger is able charging 2 batteries at the same time. Once the battery is charged, an indication light will turn green. You carry the compact POWDP9055 easily with the large practical handle. With this multi-charger you always have a fully charged mobile phone and full batteries.
