HEDGE TRIMMER 20V - POWDPG7531

With this cordless 20V hedge trimmer from Powerplus you trim your hedges comfortably without hindrance of cables. Thanks to its 580mm cutting width you easily cut medium-sized hedges, whereas the double action laser cut blade allows very smooth cutting for branches up to 18mm in diameter. The device features an easy start system that gets you going quickly, as well as a lock-on button for continuous use.

A rotatable and a second handle ensure a two handed operation and a perfect trimming angle. The quick stop brings the knives to a halt after your activities. After trimming, you can safely store away the tool with the solid blade cover.

Combine with a 20V or 40V battery of our Dual Power battery platform. You buy the battery and charger separately and they are compatible with the whole Dual Power range.
