## POWDPG7570 CHAINSAW 20V 300mm (NO BATT.)

Smoothly pruning branches while enjoying total freedom of movement? No more hassle with the maintenance of your machine? Then this 20V chainsaw from Dual Power definitely is the right device for you.

The quality Oregon chain can be tensioned easy and quickly, without any tools. The automatic lubrication considerably reduces wear of the chain and guarantees a smooth running. With a max. cutting length of 285mm you are able to prune thicker branches and small tree-trunks. The vibration reduction and low kickback take care of your safety and comfort. The quick stop brings the knives to a halt after your activities.

The 20V battery and charger are not included. You buy them separately and they are compatible with the whole Dual Power range.
