POWERPLUS

POWEG5011 SHREDDER 2400W

After trimming hedges or pruning trees, you reduce your garden waste most efficiently with this powerful 2400W Powerplus shredder. It grinds branches and loppings and collects them orderly in a 50 litre collection bag.

The push stick guarantees your safety while working and in case of overload, the device stops shredding immediately. Steady while operating, with wheels for easy transportation and storage, the POWEG5011 is a safe and user-friendly device.
