HIGH PRESSURE CLEANER POWXG90400

This 1200W high pressure cleaner delivers a water flow up to 390l/hour at a maximum pressure of 100bar. The POWXG90400 with 3m hose is equipped with a spray gun with adjustable nozzle.

The high pressure cleaner has an automatic start/stop system. This means that the motor only works when the gun is activated. The result is an easy-to-use cleaning system that at the same time will save a lot of energy and water.
