POWEG2020

Looking for a powerful chainsaw that is low maintenance and easy to use?

Then this 45 cc chain saw with a maximum sawing length of 400 mm is the tool you want. Because it runs on fuel, there's no messing around with bothersome cables and you can enjoy the necessary freedom of movement.

What can you do with this chainsaw? This chainsaw has a cylinder capacity of 45 cc and a bar length of 450 mm, so you can use it to effortlessly cut through thick branches.

Its strong points:

- **Safe:** The hand guard protects your hands from flying wood chips. In unforeseen and dangerous situations, the chain will be blocked by the automatic brake. The chainsaw cover included allows for safe storage. To guarantee your safety, the chainsaw should be operated using 2 hands.
- **Low maintenance:** To guarantee a smooth performance and less wear, the chain is oiled automatically, so you can save time.
