## POWEG63780

The POWEG63780 150cc petrol lawnmower is the perfect model for lawns of up to 800 m<sup>2</sup>. The four-stroke engine provides 2.6 kW of mowing power and ensures the necessary freedom of movement, without having to deal with extension cords or empty batteries.

The Powerplus garden tool is equipped with seven cutting heights and features a cutting width of 460mm. The cut grass can be collected in the 55L collector box, but the lawn mower works just as well without it.

the full box indicator will indicate the collector box is full, it can easily be detached and emptied. Its foldable soft grip handle bar allows for compact storage.

This lawnmower has a low fuel consumption as well as an easy-start engine.
